2 Timing of this release

- Preliminary release note is provided by TRASER about 1 week before the update
- The update is also imported into the customers test system.
- Before the update, there is a webcast for it. In this, the functions are explained and questions answered.
- On the webcast mainly key users participate, who have previously discussed the points of the release note.
- In this release note, tasks are defined, which are carried out by TRASER and planned by the customer.
- A developer from the developer team is available on the day after the update from 8 o'clock by telephone, in case of errors.

Dies entspricht demnach folgendem Zeitfenster:
